

Items for Recycling when buying New Kramer Electronics Ltd Electrical and Electronic Equipment

Under the French WEEE Decree, Kramer Electronics Ltd is required to finance the collection, treatment, recycling and recovery of any new electrical and electronic equipment that you buy from Kramer Electronics after August 2005, when that new equipment eventually becomes waste. Kramer Electronics Ltd has established a recycling contract with the European Advanced Recycling Network (EARN) and will cover any costs of recycling the equipment in this box on arrival at an EARN recycling company. Please complete this label and attach it to a suitable box for transport of old equipment to EARN.

Please confirm that the enclosed equipment is:

Kramer Electronics equipment purchased after August 2005 which has become waste and weighs less than 500 kg
